Upcoming Edition: ASEFYLS4

The 4th ASEF Young Leaders Summit (ASEFYLS4) is a 10-month long youth leadership programme connected with the 13th ASEM Summit (ASEM13) in Cambodia. The ASEFYLS4 focuses on ‘Sustainable Development in a post-COVID-19 World’ and incorporates 3 spheres for youth leadership:

1) self-leadership ([you](#)), 2) team leadership ([we](#)) and 3) societal leadership ([all](#)).

The 4th edition will be a hybrid project with collaborative programme elements taking place virtually, in Cambodia & Singapore, as well as across ASEM countries. The project addresses 4 thematic areas:

1. **SDG3: Good Health & Wellbeing:** Ensure healthy lives and promote well-being for all at all ages
2. **SDG4: Quality Education:** Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all
3. **SDG8: Decent Work & Economic Growth:** Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all
4. **SDG13: Climate Action:** Take urgent action to combat climate change and its impacts

These goals are selected based on significant areas of impact the COVID-19 crisis have had on young people, the learnings from the current crisis they can bring to the discussion table, and areas in which they can contribute to, with an aim to build a more resilient society.

The ASEFYLS4 consists of 3 Programme Phases:

1. **Knowledge Building:** Mon, 22 February 2021 - Fri, 28 May 2021, Virtual
2. **Youth Summit** at the [13th ASEM Summit](#): Sat, 29 May 2021 - Wed, 2 June 2021, On-site in Cambodia/Virtual*
3. **Leadership in Action:** June - November 2021, Virtual & On-site in local ASEM communities

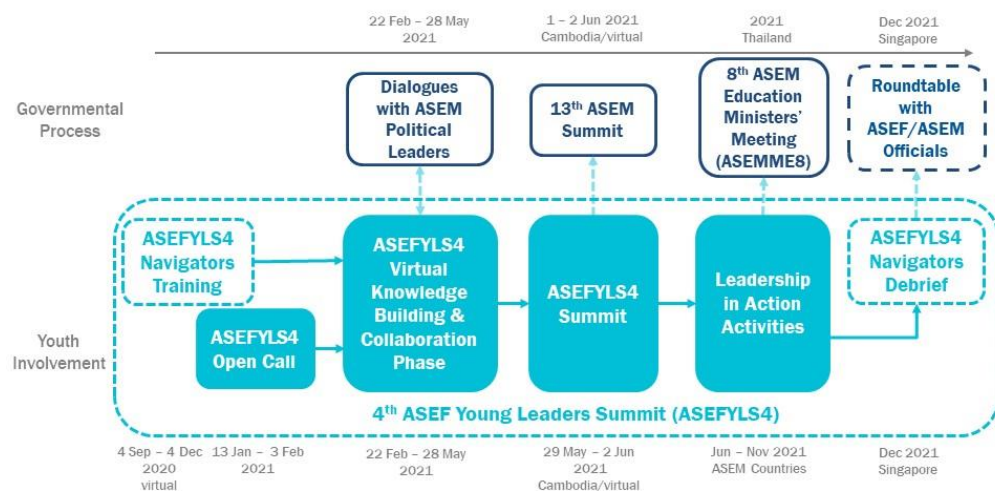

The ASEFYLS4 welcomes up to 150 youth leaders from diverse academic disciplines and professional backgrounds, who are selected through an Open Call for Application process. ASEF’s programmes are inclusive and ensure a gender and geographical balance. We do not discriminate against any applicant or participant based on gender, sexual orientation, disability, age, colour, ethnicity/race, national origin (ancestry), religion (creed), or marital status.

Project Cycle

Details on Programme Phases

About 150 youth representatives – at least 1 representative of each 51 ASEM Partner country – are selected through an Asia-Europe wide Open Call to join the ASEFYLS4, which is built on 3 Programme Phases.

1) Knowledge Building (22 February – 28 May 2021)

Through e-learning and virtual collaboration platforms, the ASEFYLS4 Knowledge Building phase fuses theory, training and policy and integrates 4 elements:

1. **Thematic Course with a certificate of participation**, focusing on Asia-Europe and international relations in the context of the Sustainable Development Goals (SDG3, 4, 8 & 13), led by [College of Europe in Natolin](#) in partnership with ASEF
2. **A Leadership Training with a certificate of participation**, exploring Self, Team & Societal leadership, led by the [Center for Creative Leadership](#) in partnership with ASEF
3. **Youth Dialogues with ASEM Leaders** (Heads of States and Governments) on the SDGs, moderated by ASEFYLS4 participants
4. **Focus Group Discussions & Collaboration** on leadership, the SDGs & the Leadership in Action projects, led by ASEFYLS4 Navigators.

Find out more about the Knowledge Building programme [here](#).

2) ASEFYLS4 Youth Summit (29 May – 2 June 2021)

The Youth Summit will either take place fully virtually, or should local and international health, safety and travel guidelines allow – as a hybrid event with both virtual as well as on-site programme elements in Cambodia alongside the 13th ASEM Summit.

In both cases, the Youth Summit will include Expert sessions, discussion forums and workshops on the SDGs, including local case studies from Cambodia. One-to-one meetings between ASEFYLS4 participants and political leaders are planned. Four ASEFYLS4 participants will present an ASEM Youth Declaration on “Sustainable Development in a post-COVID-19 world” at the Opening Ceremony of the 13th ASEM Summit (Declaration examples from [ASEFYLS1](#), [ASEFYLS2](#) and [ASEFYLS3](#)).

3) Leadership in Action (June – November 2021)

The ASEFYLS4 encourages participants to demonstrate the youth’s role in driving Sustainable Development and collaborate on meaningful community projects with an Asia-Europe twist. Based on the four ASEFYLS4 focus areas (SDG3, SDG4, SDG8 and SDG13), participants will be allocated to specific working groups and contribute to “Leadership in Action” activities, taking place from June to November 2021.

In total, the ASEFYLS4 supports 15 local community projects, each led by 1 ASEFYLS4 Navigator. Read more about them [here](#).

Prior to the ASEFYLS4 programme, ASEF conducted a capacity building training, the [ASEFYLS4 Navigators Programme](#). The “Navigators” are alumni from ASEFEdu and partner organisations who will join the 3 ASEFYLS4 phases as resource persons and design & guide the phase 3 activities with likeminded Asian & European youth in local communities.

Upon completion all 3 phases of the 4th ASEF Young Leaders Summit, each participant will receive a **Certificate jointly issued by ASEF and the Ministry of Foreign Affairs and International Cooperation (MFAIC)** of Cambodia, for their participation in the 4th ASEF Young Leaders Summit and contribution to the 13th ASEM Summit (ASEM13).
